WORK EXPERIENCE

On-the-job training (OJT) (Project Management/Front-End)
Gothong Southern Shipping Lines Inc. | 2023 - 2023
- Developed a system for interns and employees.
- Provided tech support and guidance to employees.
- Maintain upkeep of computers, office equipment, and printers across the offices.

Full-time Position (Front-End)
Dreamforge Innovations Inc. | 2024 - Current
- Responsible for transforming the user interface and enhancing the overall user experience. Leveraging React JS and various CSS libraries to create intuitive, efficient, and engaging front-end interfaces. Additionally, accountable for seamless API integration, ensuring a smooth and responsive user experience by employing the latest technologies and industry best practices.

PROJECT/S

InternConnect: ORASAN at Gothong Southern Shipping Lines Inc. A Web-Based OJT-Monitoring System for GSSLI (OJT)
- Led a group of 11 members in developing an intuitive monitoring system to oversee the Daily Time Records (DTR) of OJT interns. This user-friendly platform enhances the experience for employers, ensuring accurate and efficient tracking of interns' attendance and progress during their internship.

ENHANCEMENT OF AUSTERO ET AL.'S WHALE OPTIMIZATION ALGORITHM ON SOLVING COURSE TIMETABLING PROBLEMS (Thesis)
- Developed an enhancement for the Whale Optimization Algorithm (WOA) customized for tackling University Course Timetabling Problems. This adaptation significantly improves scheduling efficiency and accuracy, offering a promising solution to streamline academic scheduling processes.

DSWD Project Resolve at Dreamforge Innovations Inc. (Full-time)
- Designed and developed a responsive and intuitive web application for the Pamantasan ng Lungsod ng Maynila website. This user-friendly platform enhances accessibility and usability for visitors, providing an engaging and seamless browsing experience.
